Dear Sisters and Brothers in Christ,

On behalf of the leadership team of National Conference of Burmese-American Catholics (NCBAC) we wish to thank all those who have generously contributed financially, and spiritually through prayers, for making Pope Francis' historical visit to Myanmar happen. We raised \$28,928.37 and handed over all the contributions to Catholic Bishops' Conference of Myanmar. The Pope's message of love and inclusion was powerfully proclaimed to many and was of great significance to our people, both in Myanmar and around the world.

Our Father Pope Francis has provided an example of how we can support the people of Myanmar through prayers and acts of kindness. We need to continue with this approach, and hope for greater understanding and healing, among all the people in our land.

Thank you and may God bless you.

John Sailon  
President

Jean Aung  
Treasurer

Joseph Khai  
Asst. Secretary
